*I have reviewed this. Staff would like to retain document no. 11199-05 since it relates to hedging. Document no. 11228-05 may be returned. Both documents are in the Clerk's office. Let me know if you need anything.*

*Lisa, there are two sets of FPL confidential documents for which the current confidential designation will expire on June 22: Late-Filed Deposition Exhibit Nos. 1 and 2 of FPL witness Gerard Yupp (Document No. 11199-05), and Hearing Exhibit 91, which was made part of the record of the hearing held in Docket No. 050001-EI on November 7-9, 2005 (Document No. 11228-05). Our records don't show them as returned by the Commission, but we can't identify them on Staff's May 2, 2007 confidential document reporting memo as either being retained or returned. Would you please check and let me know what your records show as the status of those documents? It would be great not to have to file extension requests, but we'll need to do so soon if they're required. Thanks! John Butler*
