

BEFORE THE PUBLIC SERVICE COMMISSION

In re: Petition by Progress Energy Florida, Inc. to recover costs of Crystal River Unit 3 uprate through fuel clause.

DOCKET NO. 070052-EI
ORDER NO. PSC-07-0521-PCO-EI
ISSUED: June 21, 2007

ORDER GRANTING INTERVENTION

By petition filed May 14, 2007, the White Springs Agricultural Chemicals, Inc. d/b/a PCS Phosphate – White Springs, (“White Springs”) requested permission to intervene in this proceeding. White Springs states that it is a manufacturer located within the service territory of Progress Energy Florida, Inc. (“PEF”), and receives electric service from the utility. White Springs alleges that the relief requested in PEF’s petition raises basic rate setting, cost recovery, and rate design concerns that will materially affect the level of energy costs and overall electric rates that are charged to White Springs. Therefore, White Springs concludes it will be substantially affected by any action the Commission takes in this docket.

Having reviewed the Petition, we believe that White Springs’ substantial interests may be affected by this proceeding. There has been no response filed in opposition to this request, and the time for doing so has elapsed. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, White Springs takes the case as it finds it.

Therefore, it is

ORDERED by the Florida Public Service Commission that the Petition to Intervene filed by White Springs Agricultural Chemicals, Inc. d/b/a PCS Phosphate – White Springs is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to:

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
