Another docket title change...

Dorothy,

After conferring with the company, I determined that Docket No. 070367-TP only involves the AT&T Communications of the Southern States, LLC, AAV (TA062) and the BellSouth Telecommunications, Inc. d/b/a AT&T Florida ILEC (TL720) following company codes. Therefore, the title should be changed as follows:

Old title:

Docket No. 070367-TP – Joint petition for waiver of carrier selection requirements of Rule 25-4.118, F.A.C., for migration of residential local service customers from AT&T Communications of the Southern States, LLC, holder of IXC Registration No. TJ615 and CLEC Certificate No. 4037, to BellSouth Telecommunications, Inc. d/b/a AT&T Florida, holder of ILEC Certificate No. 8 and CLEC Certificate No. 4455, and request for expedited treatment.

New title:

Docket No. 070367-TP – Joint petition for waiver of carrier selection requirements of Rule 25-4.118, F.A.C., for migration of residential local service customers from AT&T Communications of the Southern States, LLC, holder of AAV Certificate No. 4037, to BellSouth Telecommunications, Inc. d/b/a AT&T Florida, holder of ILEC Certificate No. 8, and request for expedited treatment.

Also, the reference to Docket No. 070367-TP should be removed from the "Related Dockets" tab in the MCD for TJ615 and TX031.

Thanks.

Melinda
