RE: 070198-TP Approval of the Supplemental filing of Attachment 8 of interconnection, unbundling, resale and collocation by BellSouth Telecommunications, Inc. d/b/a AT&T Southeast d/b/a AT&T Florida and Smart City Solutions, LLC d/b/a Smart City Communications.

Dear Ms. Bayo:

On May 11, 2007, BellSouth Telecommunications, Inc. d/b/a AT&T Southeast d/b/a AT&T Florida and Company filed an attachment to the interconnection, unbundling, resale and collocation agreement for Florida Public Service Commission approval. The subject of the cover letter of the filing was styled as referenced above.

The amendment was missing paging 22, Section 7.2 of the amendment. Attached, please find the missing page and place with the original filing.

I would appreciate your assistance in correcting the filing and record in question.

If you have any questions or concerns, please contact Robyn Holland 850-577-5551.

Very truly yours,

Regulatory vice President

Multiple Cables, Multiple Services, Lashing or Placing Additional Cables, and Replacement of Facilities. Licensee may include multiple cables in a single License Application and multiple services (e.g., CATV and non-CATV services) may be provided by Licensee in the same cable Sheath. Licensee's Lashing additional cable to existing Facilities and placing additional cables in Conduits or Ducts already occupied by Licensee's Facilities shall be permitted, and no additional fees will be applied; provided, however, that if Licensee desires to lash additional cable to existing Facilities of a Third Party, Licensee shall provide BellSouth with reasonable notice, and shall obtain written permission from the owner of the existing Facilities. If BellSouth determines that the requested Lashing would violate safety or engineering requirements, BellSouth shall provide written notice to Licensee within a reasonable time specifying in detail BellSouth's findings. If Licensee desires to place additional cables in Conduits or Ducts which are already occupied, or to replace existing Facilities with new Facilities substantially different from those described in Licenses in effect, Licensee must apply for and acquire a new License specifically describing the physical size, weight and jacket material of the cable to be placed in BellSouth's Conduits and Ducts or the physical size, weight, and jacket type of cables and the size and weight of apparatus enclosures and other Facilities to be attached to BellSouth Poles.
