Subject: BellSouth motions in 030137

Adam, 2 other BellSouth motions for extension of confidentiality in the docket ref'd above were filed yesterday. They ask for extensions of confidential classification of DNs 07625-03 and 08805-03. However, these documents have been declassified since 4/24/05, and both were sent to GCL (they're discovery) following declassification. Can you also let BellSouth know about these?

Also, will an order be issued denying the motions as untimely?
