I have pulled the correspondence file to verify the letter requesting the change. CMS wouldn't allow me to edit/change the party status; so I got with Dorothy to make the changes. PCS Phosphate/White Springs has been changed from party status to interested person status.

A couple of weeks ago, James Brew, attorney for PCS Phosphate/White Springs, filed a letter with the clerk asking to be moved from party status to interested person status. My understanding is that is all that needs to be done for them to be removed as a party. I just received a phone call from one of the attorney's in his office expressing concern that PCS is still listed as a party. Do they need to do more than send a letter to be removed from party status?
