Good Afternoon Hong,

I have reviewed both pages and they contain the same information. I believe page 7 has possibly been scanned twice. The additional page should be deleted. If you have any additional questions or concerns, please contact me.

Thank you,
Michael

FPSC-COMMISSION CLERK

DN 03911-07, a recommendation, as it was filed contains an additional page 7. The document was scanned as filed and my question is, should it remain as it is or would you like to delete the additional page?

Please advise.

Thank you.

Tim
