Dear Ms. Kiwanis and the Florida Public Service Commission,

Per our telephone conversation, I am presenting NETECOM's proposal to cease operating in the state of Florida in lieu of paying the \$25,000 penalty and registering as an IXC at this time.

NETECOM currently provides telecommunications services to approximately 143 Florida residents. NETECOM will send a letter (EXHIBIT A) to these customers which will explain that their service will be transferred to TELENATIONAL Communications (TNC). In addition, attached is NETECOM and TELENATIONAL'S joint petition to transfer these customers and request a waiver of the carrier selection requirement Rule 25-4.118, F.A.C.

Also, as requested, attached you will find a list containing all our active Florida customers whom will be transferred to TELENATIONAL direct service. (Exhibit B)

I am hopeful this will resolve any and all problems with the Florida Public Service Commission. I am optimistic that perhaps in the future we may have the pleasure of working with the Florida Public Service Commission.

Thank you
