ORIGINAL

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Environmental Cost Recovery Clause Docket No.: 070007-EI Date: July 10, 2007

AMENDED REQUEST FOR CONFIDENTIAL CLASSIFICATION

)

GULF POWER COMPANY ["Gulf Power", "Gulf", or the "Company"], by and through its undersigned attorneys and pursuant to Rule 25-22.006, Florida Administrative Code, hereby files its amended request that the Florida Public Service Commission enter an order protecting from public disclosure certain information produced in connection with Gulf Power's Supplemental Petition Regarding its CAIR/CAMR/CAVR Environmental Compliance Program. As grounds for this request, the Company states:

1. On March 29, 2007, Gulf Power filed its Supplemental Petition Regarding its CAIR/CAMR/CAVR Environmental Compliance Program and an accompanying Request for Confidential Classification. Gulf Power sought confidential classification for four tables included in Gulf Power's Environmental Compliance Program ("Compliance Program"). The information on the tables is information relating to competitive interests, the disclosure of which would impair the competitive business of Gulf Power and Gulf Power's ability to procure goods and services on a fair and reasonable basis. The information is entitled to confidential classification pursuant to §366.093(3)(d)-(e), Florida Statutes.

2. In its original request, Gulf Power designated the implementation dates on Table 4.3-2 (Page 1 of 2) as confidential. While the remaining data on Table 4.3-2 (Page 1 of 2) is confidential, the dates are not. Gulf has filed this Amended Request for Confidential Classification in order to provide a properly redacted version of Table 4.3-2 as reflected in Exhibit "A."

3. Table 4.3-2 provides the results of an economic viability study by Gulf Power of its generating assets. This shows detailed unit-specific cost data including fuel cost, O&M costs

DOCUMENT NUMBER-DATE

05834 JUL II S

competitors as well as suppliers of commodities and services could utilize this information to undermine Gulf's bargaining position in the markets where Gulf must compete to obtain such commodities and services or make purchases or sales of wholesale power. In addition, disclosure of this information could negatively impact Gulf's ability to negotiate pricing favorable to its customers in the event that Gulf determined to sell one or more of its generating assets.

4. Table 5.1-1 identifies in detail Gulf Power's projected capital expenditures, by plant, for compliance with the CAIR, CAMR and CAVR. Disclosure of this information could negatively impact Gulf's ability to negotiate pricing favorable to its customers when contracting with vendors of materials needed by Gulf in order to implement its Compliance Program. Similarly, Table 5.1-2 identifies in detail Gulf Power's projected operation and maintenance expenses, by Plant, associated with the CAIR, CAMR and CAVR Compliance Plan. Disclosure of this information could negatively impact Gulf's ability to negotiate pricing favorable to its customers when contracting customers when contracting with vendors of services needed by Gulf in order to implement is Compliance Plan.

5. Finally, Table 5.5-1 identifies Gulf Power's projected allowance needs and costs between 2009 and 2017. Disclosure of this information could negatively impact Gulf's ability to negotiate pricing favorable to its customers when contracting for the purchase of allowances.

6. The information filed pursuant to this Request is intended to be, and is treated as, confidential by the Gulf Power and has not been otherwise publicly disclosed.

7. Submitted as Exhibit "A" are copies of Tables 4.3-2, 5.1-1, 5.1-2 and 5.5-1, on which are highlighted the information for which confidential classification is requested. Exhibit "A" should be treated as confidential pending a ruling on this request. Attached as Exhibit "B" are two (2) edited copies of Exhibit "A," which may be made available for public review and inspection. Attached as Exhibit "C" to this request is a line-by-line/field-by-field justification for the request for confidential classification.

WHEREFORE, Gulf Power Company respectfully requests that the Commission enter an order protecting the information highlighted on Exhibit "A" from public disclosure as proprietary confidential business information.

Respectfully submitted this 10th day of July, 2007.
