

BEFORE THE PUBLIC SERVICE COMMISSION

In re: Environmental cost recovery clause.

DOCKET NO. 070007-EI
ORDER NO. PSC-07-0582-CFO-EI
ISSUED: July 13, 2007

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S
FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION
GRANTED BY ORDER NO. PSC-05-0917-CFO-EI
(DOCUMENT NOS. 07166-05 AND 07567-05)

This Order addresses the continuation of confidential treatment for certain documents associated with the environmental cost recovery clause audit for the year ended December 31, 2004 (Audit Control No. 05-033-4-1). By Order No. PSC-05-0917-CFO-EI, issued September 16, 2005, in Docket No. 050007-EI, the Commission granted confidential classification for portions of the documents. On March 15, 2007, FPL requested that confidential treatment be extended for an additional 18 months for the redacted information contained in Document Nos. 07166-05 and 07567-05.

In its request, FPL states that the period of confidential classification granted by Order No. PSC-05-0917-CFO-EI will soon expire, and that all of the information covered by that Order warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093, Florida Statutes.

FPL asserts that the portions of staff's working papers that were the subject of Order No. PSC-05-0917-CFO-EI contain information pertaining to internal auditing reports and associated documents and customer specific account information. FPL states that it is company policy not to disclose customer-specific information. Thus, FPL requests that the information identified in Order No. PSC-05-0917-CFO-EI be accorded confidential classification for an additional 18 month period.

Upon review, it appears that the information discussed above continues to be proprietary confidential business information within the meaning of Section 366.093, Florida Statutes. The information has not become stale and is not publicly known. Therefore, FPL's request for extension of confidential treatment of the redacted portions of Document Nos. 07166-05 and 07567-05 is granted as set forth in the body of this Order.

Section 366.093(4), Florida Statutes, provides that any finding by the Commission that records contain proprietary confidential business information may be effective for an additional period of 18 months with good cause shown. FPL has demonstrated that good cause exists for the Commission to extend the confidential treatment of the redacted portions of Document Nos. 07166-05 and 07567-05 as previously granted in Order No. PSC-05-0917-CFO-EI. Accordingly, the information identified in Document Nos. 07166-05 and 07567-05 shall be granted confidential classification for a period of 18 months from the issuance of this Order.

ORDERED that this Order will be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.
