Good morning. The \$71.50 is for RAFs plus penalty and interest and should be credited as follows:

- \$50.00 - 2006 RAF
- \$15.50 - 2006 P&I
- \$6.00 - 2005 P&I

The \$500 payment is the fine imposed in Docket No. 060462-TX. Please deposit \$200 in the PSC Trust Fund and the balance of \$300 in the General Revenue Fund. Provide the Clerk's Office with proof of payment of the RAFs and fine for documenting in Docket No. 060462-TX.

The \$400 is the application fee for Docket No. 070409-TX. Please provide the Clerk's Office with proof of payment for the new docket.

I received three checks from Flat phone, it appears to be a filing fee for (\$400.0), late Raf pymt(\$71.50) and a payment for \$500.00. I can't find anything on this company, do you know anything about this? The money came in on a Money Order so the only name I have is on the application which Flat Phone.

Thanks
