Re: Docket No. 060767-TP
Petition of MCImetro Access Transmission Services LLC d/b/a Verizon
Access Transmission Services for arbitration of disputes arising from
negotiation of interconnection agreement with Embarq Florida, Inc.

Dear Ms. Cole:

Verizon Access Transmission Services LLC ("Verizon") and Embarq Florida, Inc. ("Embarq") have resolved their dispute with respect to Issue 4 in this arbitration ("When the Parties exchange traffic via Indirect Connection, if Verizon Access has not established direct end office trunking sixty days after reaching a DS1 level, should it be required to reimburse Embarq for any transit charges billed by an intermediary carrier for Local Traffic or ISP-bound traffic originated by Embarq?"). Therefore, there is no need for the Commission to rule on Issue 4, and Verizon and Embarq understand that the Commission will not vote on Staff's July 19, 2007 recommendation on this Issue.

Please contact me or Embarq's lawyer, Susan Masterton, if you have any questions.

Sincerely,

/s/ Kimberly Caswell
