Docket No. 070002-EG

Filed: August 1, 2007

FLORIDA POWER & LIGHT COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION OF
MATERIALS PROVIDED IN THE ENERGY
CONSERVATION COST RECOVERY CLAUSE AUDIT NO. 07-071-4-3

NOW, BEFORE THE COMMISSION, through undersigned counsel, comes Florida Power & Light Company ("FPL") and, pursuant to rule 25-22.006 of the Florida Administrative Code and Section 366.093 of the Florida Statutes, hereby submits its Request for Confidential Classification of certain material provided to the Florida Public Service Commission ("FPSC" or "Commission") staff ("Staff") in connection with the Energy Conservation Cost Recovery Clause Audit (Audit Control No. 07-071-4-3) (the "Audit"). In support of its Request, FPL states as follows:

1. During the Audit, Staff requested access to various FPL reports and other documents. By letter dated July 11, 2007, Staff indicated its intent to retain certain workpapers for which confidential treatment previously had been requested (the "Workpapers"). Pursuant to Rule 25-22.006(3)(a), FPL was given 21 days from the date of that letter, or until August 1, 2007, to file a formal Request for Confidential Classification with respect to the Workpapers. By this pleading, FPL makes such request.

2. The following exhibits are included with and made a part of this request:
a. Composite Exhibit A consists of copies of the Workpapers, on which all information that FPL asserts is entitled to confidential treatment has been highlighted.

FPSC-COMMISSION CLERK

Composite Exhibit A is submitted separately in a sealed folder marked “CONFIDENTIAL.”

b. Composite Exhibit B consists of an edited version of Exhibit A on which all information FPL asserts is entitled to confidential treatment has been redacted.

c. Exhibit C is a table containing a line-by-line and page-by-page identification of the information for which confidential treatment is sought, and, with regard to each document or portions thereof, references to the specific statutory basis or bases for the claim of confidentiality and to the affidavits in support of the requested classification.

d. Exhibit D is comprised of the affidavits of Korel M. Dubin, Kenneth Getchell and Robert Onsgard in support of this Request.

3. FPL seeks confidential protection for the information highlighted in Exhibit A. The highlighted information is proprietary confidential business information within the meaning of Section 366.093(3). The information is intended to be, and has been, treated by FPL as confidential.

4. Pursuant to Section 366.093, the information highlighted in Exhibit A is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

5. The statutory bases for FPL’s assertion of confidentiality with regard to each document or portion thereof are set forth in Exhibit C under the column titled “FLORIDA STATUTE 366.093(3).” The letters in that column refer to the subsection(s) of Section 366.093(3) that provide justification for FPL's request. Further support for FPL’s Request for

Confidential Classification of the referenced material is provided through the affidavits of Korel M. Dubin, Kenneth Getchell and Robert Onsgard, included as Exhibit D to this request.

6. Certain information FPL asserts is proprietary and confidential business information, described in Exhibits C and D, includes customer-specific account information. FPL has a corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than the customer without the permission of the customer. This information is protected pursuant to Section 366.093(3)(e), Florida Statutes.

7. Certain materials contain or constitute internal auditing controls and reports of internal auditors or information relating to same. Section 366.093(3)(b), Florida Statutes, supports the designation of these materials as proprietary confidential business information.

8. Upon a finding by the Commission that the information highlighted in Exhibit A, and referenced in Exhibit C, is proprietary confidential business information, the information should not be declassified for a period of at least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. *See* § 366.093(4).

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included with this request, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

Natalie F. Smith, Esq.
