Re: Docket No. 070366-WU - Application to amend water tariff to allow collection of customer deposits by O&S Water Company, Inc.

Dear Mr. Friedman:

In order to further review the application, O&S Water Company, Inc. will need to provide the following:

1. The number of late payments for the past 12 months. (you can use the same period as the information we received on consumption)
2. The amount of total bad debt expense for the past twelve months.
3. A justification, or explanation, of why the amount of deposit should be based on a 2-month period versus a 1-month billing period.
4. What amount of deposit will the current customers be charged if a new or additional deposit is required pursuant to Rule 25-30.311(7), Florida Administrative Code? Will it be the \$73 or a two-month average based on that individual's actual bills over the most recent 12-month period?
5. Explain in detail the billing process from the meter reading, initial bill, to the delinquent notice, to the actual disconnection of the service including estimated timeframe for each.
