CORRECTED

**f. Preliminary Statement of Issues and Positions**

Although Neutral Tandem has attempted to use its tactic of filing a voluntary dismissal and refile a Petition two days later to avoid the denial of expedited procedures in Docket No. 071027-TX, Level 3 reasonably anticipates that the Commission will take a consistent course in this docket and will not order expedited procedures. Neutral Tandem has not included a preliminary statement of issues and positions in its Petition and Level 3 will not do so in this Response. Assuming the Commission follows the course it had undertaken in Docket No. 070127-TX, Level 3 expects the Commission to **resume the course of a bifurcated proceeding**. Level 3's positions on the legal issues in this proceeding, are set forth in its Motion to Dismiss. If the Commission denies Level 3's Motion to Dismiss and schedules this case for an administrative hearing, Level 3 will submit positions on the specific issues for hearing.

**PRAYER FOR RELIEF**

WHEREFORE, for the reasons set forth herein, Level 3 respectfully requests that the Commission **grant Level 3's Motion to Dismiss Neutral Tandem's Petition with prejudice**.

If the Commission denies Level 3's Motion to Dismiss, Level 3 requests the Commission to:

A. Deny Neutral Tandem's request to resolve its Petition on an expedited basis pursuant to Rule 25-22.0365, Florida Administrative Code; and

B. Issue a Case Assignment and Scheduling Record with reasonable time frames for the filing of prefiled testimony and the scheduling of a formal administrative hearing in this proceeding to establish an appropriate rate and other appropriate terms and conditions for terminating Neutral Tandem's transit traffic through Level 3 to third-party carriers.
