COMMISSION  
CLERK

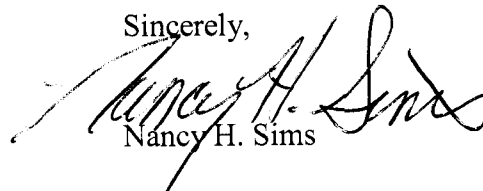

Dear Ms. Cole:

It is our understanding that Related Lofts 2 is a development that will include approximately 496 condominium units and that first residents are expected in/about July, 2007.

The developer has informed BellSouth Telecommunications, Inc. d/b/a AT&T Florida that it has entered into an exclusive agreement with another provider for the bulk provision of voice, data and video communication services to residents, such that AT&T Florida may not place facilities to provide service to residents. The contact information for the developer is as set forth in the "cc" line below.

Pursuant to Section 364.025(6)(b)(1) and (6)(b)(3), Florida Statutes, we are writing to inform the Commission that AT&T Florida has been restricted from installing its communications facilities during the construction phase of the above property and that charges will be collected from occupants for the voice service provided by the other provider. Accordingly, AT&T Florida is relieved of its carrier of last resort obligation at the property, effective as of the date of the agreement between the developer and the alternate provider and will not be providing service to residents at the property.

Sincerely,

  
Nancy H. Sims
