from lee eng:

yes, this is the same co. listed in cms - we know that the code is inactive but this is an unusual situation dealing with fraud. please go ahead and include the d/b/a in the title. the rush is b/c staff wants to file a rec on thursday...

I have it in my stack to be entered. I took a look at it though, and it's a little confusing to me... In CMS, the company code is inactive and Lee Eng's req to est dkt does not include the d/b/a. Is this the same company as that listed in CMS. Is this a generic investigation (Prog Mod A, 18)?

Subject: timeline question

hey, lee eng sent down a request to establish docket - either late yesterday or this morning - the company is teleconnex - do you know if it's been docketed yet, and if so, what's the number? if not, do you know when she can expect it? guess she's kind of anxious for this one....sorry...
