Re: Fuel and Purchased Power Cost Recovery Clause
with Generating Performance Incentive Factor
FPSC Docket No. 070001-EI

Dear Ms. Cole:

In the course of preparing projection testimony for this year's filing, Tampa Electric Company detected an error on one page of the true-up testimony of Carlos Aldazabal submitted in Docket No. 070001-EI on March 1, 2007. The error has to do with the calculation of the wholesale incentive threshold. Attached are the original and fifteen (15) copies of Revised Page 9 of Mr. Aldazabal's 2006 final true-up testimony, correcting the calculation error in the original filing. The corrected amounts are the 2007 benchmark amount, shown on line 19, and the actual gains for 2006, shown on line 21.

The corrections described above have no effect at all on the fuel adjustment schedules, the fuel adjustment charge or any other impact on customers.
