RE: Docket No. 070528-TI

Dear Ms. Ann Cole:

Pursuant to Rules 28-106.201, Florida Administrative Code, Empire One Telecommunications, Incorporated ("EOT") submits its Petition protesting Docket No. 070528-TI, issued August 20, 2007 and requests EOT be dismissed from this docket.

As per Paula Isler, the RAF form and delinquent notice was mailed to our company via Certified Mail but was never received by someone in our office. The signature on the Return Receipt does not match anyone in our office and there is no print signature attached. It is possible that it has been lost in the mail room in the building. This is not the first time it has happened, everyone in our office knows the proper procedure for receiving certified mail. I was never aware that this fee was pending therefore; I request that EOT be dismissed from the docket.

If you have questions regarding this matter, please don't hesitate to contact me or Li Li Chen at 718-801-8154.

Sincerely,

Paul Butler
