Docket No. 070001-EI  
Filed: August 24, 2007

**AMENDED PETITION FOR APPROVAL  
OF MID COURSE CORRECTION**

Florida Public Utilities Company (FPUC), by the undersigned, hereby files this petition for approval of a revision, through a mid-course correction, to the purchased power cost recovery factor to be applied to bills immediately, and in support thereof says:

1) On August 1, 2007, FPUC filed a petition for Approval of Mid Course Correction to increase the fuel cost recovery factor in order to recover under-recovered costs for purchased power in both the Northwest and Northeast divisions. Upon review and analysis, by staff and the Company, it is necessary to amend the request as to the under-recovered amounts in each division to accurately reflect the amount of under-recovery to be recovered through the adjusted factors through the end of 2007. For Fernandina Beach the amount of the estimated 2007 under-recovery is \$915,677 and the corresponding amount for Marianna is \$690,530.

2) FPUC requests that the Commission approve revised factors to recover these amounts from October through December 2007.
