Accordingly, we hereby find it appropriate to cancel each entity's IXC tariff and registration for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, unless each entity pays a penalty and cost of collection, together totaling \$1,000, and remits any past due Regulatory Assessment Fees, along with accrued statutory late payment charges, to the Florida Public Service Commission.

If this Order is not protested, each entity's respective IXC tariff and registration shall be cancelled. If an entity pays the penalty and cost of collection, together totaling \$1,000, and remits any past due Regulatory Assessment Fees, along with accrued statutory late payment charges, prior to the expiration of the Proposed Agency Action Order, then that entity's respective IXC tariff and registration will remain active. If an entity fails to protest the Order or pay the penalty and cost of collection, together totaling \$1,000, and fails to remit any past due Regulatory Assessment Fees, along with accrued statutory late payment charges, prior to the expiration of the Proposed Agency Action Order, then that entity's IXC tariff and registration should be cancelled administratively, and the collection of the past due Regulatory Assessment Fees should be referred to the Florida Department of Financial Services for further collection.

efforts. If an entity's IXC tariff and registration are cancelled in accordance with this Commission's Order, that company should be required to immediately cease and desist providing intrastate interexchange service in Florida. This docket should be closed administratively either upon receipt of the payment of the penalty and cost of collection, together totaling \$1,000, and any past due Regulatory Assessment Fees, along with accrued statutory late payment charges from each entity, or upon cancellation of that entity's IXC tariff and registration. If an entity's IXC tariff and registration are cancelled in accordance with this Order and it subsequently decides to reapply for a registration as an intrastate interexchange company, that entity shall be required to first pay the penalty and cost of collection, together totaling \$1,000 and any outstanding fees, including accrued statutory late payment charges. We are vested with jurisdiction over these matters pursuant to Sections 350.113, 364.336, 364.02, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that each of the entities listed herein shall pay a penalty and cost of collection, together totaling \$1,000, and any past due Regulatory Assessment Fees, including statutory late payment charges, to the Florida Public Service Commission for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, by the end of the protest period. The cost of collection will be subtracted from any monies collected as payments (full or partial) of the penalty and cost of collection, and will be deposited, along with the past due Regulatory Assessment Fees, in the Florida Public Service Regulatory Trust Fund, pursuant to Section 350.113, Florida Statutes. The statutory late payment charges and any portion of the penalty exceeding the cost of collection will be remitted to the Florida Department of Financial Services for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.285(1), Florida Statutes. It is further

ORDERED that should any of the entities fail to comply with this Order, that entity's tariff and registration shall be cancelled. It is further

ORDERED that the cancellation of the tariff and registration in no way diminishes any of the entities' obligation to pay applicable delinquent Regulatory Assessment Fees, and accrued statutory late payment charges. If any company listed in this Order has its respective tariff and registration cancelled, and subsequently decides to reapply for registration as an intrastate interexchange telecommunications company, that company shall be required to first pay any outstanding penalties and cost of collection and fees, including accrued statutory late payment charges. Any unpaid Regulatory Assessment Fees, and accrued statutory late payment charges, shall be referred to the Florida Department of Financial Services for further collection efforts. It is further
