Re: Docket Number 070362-WU: Application by Aqua Utilities, Inc. for amendment to Certificate No. 106-W to extend water service to include certain territory in Lake County adjacent to Silver Lake Estates.

Dear Ms. Daniels:

The Department has completed its review of the Aqua Utilities, Inc. application for an amendment to Certificate No. 106-W, to extend water service to include certain territory in Lake County adjacent to Silver Lake Estates. The area proposed for expansion of potable water services is a platted, infill area surrounded by predominately single-family residential development. The future land use designation for the expansion area is Urban, which allows up to seven units per acre. Therefore, the application does not appear to promote urban sprawl and appears to be consistent with the Lake County Comprehensive Plan.

If you have any questions concerning this letter, please call Julie Evans, Senior Planner, at (850) 922-1816.

Sincerely,
