Re: Juliette Falls, SW 61st Lane Road, Dunnellon, FL 34431

Dear Ms. Cole:

It is our understanding that Juliette Falls is a development that will include approximately 540 single family homes development and that first residents are expected in October 2007.

The developer has informed BellSouth Telecommunications, Inc. d/b/a AT&T Florida that it has entered into an entered an agreement with another provider for the bulk provision of voice, data and video communication services to residents. The contact information for the developer is as set forth in the "cc" line below.

Pursuant to Section 364.025(6)(b)(3), Florida Statutes, we are writing to inform the Commission that charges will be collected from occupants for the voice service provided by the other provider. Accordingly, AT&T Florida is relieved of its carrier of last resort obligation at the property, effective as of the date of the agreement between the developer and the alternate provider and will not be providing service to residents at the property.

Sincerely,

Stan L. Greer
