**Subject:** Hines 4 -- DN 070290

Nancy:

In the Docket 040817 need Determination for Hines 4, the exhibit JMR-5 was the Projected Cost Estimate for Hines Unit 4. The Total Project Cost - Excluding Transmission was shown as \$221.5 million [without AFUDC].

In the current Docket 070290, there is a list of items labeled "new scope" and "extended scope". Can you get any documentation or information that shows that these elements [now termed new scope or extended scope] existed as elements within the \$221.5 million?

thanks
