Re: Docket Nos. 070361-WU and 070362-WU

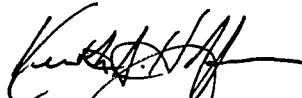

Dear Mr. Walden:

As you know, our firm represents Aqua Utilities Florida, Inc. ("AUF"), the applicant in the above-referenced dockets. Under the Developer Agreements filed in the above-referenced dockets, the developer will be required to pay AUF the applicable CIAC and APFI fees as set forth in Attachment 5 to said Agreements. Because AUF will be collecting the applicable charges from the developer, this letter will confirm that AUF does not intend to bill such charges to the end user customers who will ultimately reside in the developments that are the subject of the amendment applications.

In addition, per your request, enclosed are signature pages for both agreements reflecting that the Agreements have been executed by both the developer and AUF.

If you have any questions or need any further information, please do not hesitate to contact me.

Sincerely,

  
Kenneth A. Hoffman
