Re: The Blue at Doral, 5300 N.W. 87 Avenue, Miami, FL 33178

Dear Ms. Cole:

It is our understanding that The Blue at Doral is a development that will include approximately 240 townhouse condominium development and that first residents are expected soon.

The developer has informed BellSouth Telecommunications, Inc. d/b/a AT&T Florida that it has entered into an exclusive agreement with another provider for communications service to residents, such that AT&T Florida may not place facilities to provide service to residents. The contact information for the developer is as set forth in the "cc" line below.

Pursuant to Section 364.025(6)(b)(1), Florida Statutes, we are writing to inform the Commission that AT&T Florida has been restricted from installing its communications facilities during the construction phase of the above property. Accordingly, AT&T Florida is relieved of its carrier of last resort obligation at the property, effective as of the date of the agreement between the developer and the alternate provider and will not be providing service to residents at the property.

Sincerely,

Stan L. Greer
