RE: Communication Received in Docket No:070601-WU – Application for staff-assisted rate case in Pasco County by Orangeland Waster Supply.

Commissioner Skop's Office has received the following correspondence from Phillip J. Aleci, consumer.

The correspondence has not been viewed or considered in any way by Commissioner Nathan A. Skop. Under the terms of the advisory opinion from the Commission on Ethics (issued July 24, 1991 as CEO 91-31-July 19, 1991), the following correspondence does not constitute an ex parte communication by virtue of the fact that it was not shown to the Commissioner. Because it is not deemed to be an ex parte communication, it does not require dissemination to parties pursuant to the provisions of section 350.042, Florida Statutes. However, in such cases Commissioner Skop has requested that a copy of the correspondence and this memo be, as a matter of routine, placed in the correspondence side of the file in this docket.

Dear: Commissioner: Skop

I and associated neighbors are contacting you regarding the above docket number, "a rate increase requested by Orangeland Water Supply". We are not opposing the request for rate increase but the amount and significance of the proposed increase. Please understand that many of us have known and respected Mr. Snell for many years. We do not believe that it is his desire to cripple a community that he has been associated with for many years. Our small community is by no means affluent, consisting of retirees and main stream working families. This excessive, unfair, and irrational proposal could possibly Cripple families struggling under our present economic situation. We respectfully request that you take serious consideration in dealing with this proposal and administer a fair and equitable rate and decision in this matter.

Sincerely,

Phillip J. Aleci
