Issue 1: Should O&S's proposed tariff sheet to collect customer deposits be approved as filed?

Recommendation: Yes, Third Revised Sheet No. 13.0 filed on June 7, 2007, should be approved as filed. The revised tariff sheet should be implemented on or after the stamped approval date on the tariff sheet, pursuant to Rule 25-30.475(2), Florida Administrative Code (F.A.C.), provided the utility submits and receives approval of its proposed customer notice and that the customers have received the approved notice. Staff further recommends the utility submit a revised tariff sheet to include a provision for new or additional customer deposits, as discussed in the analysis portion of staff's memorandum dated September 13, 2007. Staff should be given authority to administratively approve this tariff upon verification it is consistent with the Commission's decision. The revised tariff sheet should be implemented on or after the stamped approval date on the revised tariff sheet, pursuant to Rule 25-30.475(2), F.A.C., if no protest is filed and once the proposed customer notice has been approved by staff as adequate, and the customers have received the approved notice.

Issue 2: Should this docket be closed?

Recommendation: If Issue 1 is approved, this tariff should become effective on or after the stamped approval date of the tariff sheet, pursuant to Rule 25-30.475, F.A.C., provided the customers have received adequate notice. If a protest is filed within 21 days of the issuance of the Order by a substantially affected person, this tariff should remain in effect with any increase held subject to refund pending resolution of the protest, and the docket should remain open. If no timely protest is filed, a Consummating Order will be issued. However, the docket should remain open to allow staff to review the amended tariff. If the amended tariff is approved, the docket should be closed administratively.
