Dear Customer:

We are writing to notify you that Aqua Utilities Florida, Inc. (Aqua) has withdrawn its petition (Docket No. 060368-WS) for a rate increase with the Florida Public Service Commission. The schedule below shows your system's previous and interim rates for water service, based on monthly billing. Aqua's customer billing will return to the previous rates, as shown below, effective September 20, 2007, and the refund with interest will appear as a credit by no later than your November bill.
