Marguerite, it does not look like this has been done. Can you please take care of this?

Thanks!

This will be an industry-wide, undocketed workshop, and is not specific to DN 060368-WS (the Aqua rate case docket). Can you please put a copy of this filing in undocketed filings? Also, can you put a note in the 060368 filing to show that this filing will be considered in an undocketed workshop? Thanks.
