**SECTION 63.71 APPLICATION OF SBC LONG DISTANCE, LLC. d/b/a
AT&T LONG DISTANCE**

SBC Long Distance, LLC, d/b/a AT&T Long Distance Service ("SBC LD"), applies for authority under Section 214(a) of the Communications Act, as amended ("the Act"), 47 U.S.C. § 214, and Section 63.71 of the Federal Communications Commission's ("Commission") rules, 47 C.F.R. §63.71, to discontinue the following services: Dedicated Voice Access ("DVA"), ISDN ("PRI"), and Dedicated Toll Free Services ("DTFS").

As required by Section 63.71(a) and (b) of the Commission's rules, SBC LD is providing the following information:

Name and Address of Carrier (47 C.F.R. §§ 63.71(a)(1), (b)(2)):

SBC Long Distance, LLC, d/b/a AT&T Long Distance
1010 N Saint Mary's Street, #13L
San Antonio, TX 78215

Date of Planned Service Discontinuance (47 C.F.R. §§ 63.71(a)(2), (b)(2)):

SBC LD will no longer offer these services to new customers on or after November 12, 2007, subject to Commission authorization of the discontinuance pursuant to 47 C.F.R. § 63.71(c).

DOCUMENT NUMBER-DATE

FPSC-COMMISSION CLERK

SBC LD will continue to provide services to its existing customers until their existing contracts expire or are terminated.

Points of Geographic Areas of Service Affected (47 C.F.R. §§ 63.71(a)(3), b(2)):

SBC LD will discontinue these services in the 48 contiguous states, Hawaii and the District of Columbia.

Brief Description of Type of Service Affected (47 C.F.R. §§ 63.71(a)(3), b(2)):

1. Dedicated Voice Access provides dedicated access to voice trunking. DVA transport carries calls made on voice trunks bypassing the local switch.

2. ISDN(PRI) Service is a channelized access line that provides Q931 signaling between the SBCLD POP and the customer premise equipment.

4. Dedicated Toll Free Service (DTFS) is in-bound toll free long distance calling over dedicated access lines facilities.

As a result of the acquisition of AT&T Corp. and its subsidiaries by SBC Communications Inc., the combined entity is streamlining their services portfolio. If this Application is approved, the services described above, currently provided by SBC LD, will be provided by another affiliate of AT&T.

The public convenience and necessity will not be impaired by this service discontinuance because there are many alternative providers of business services, including but not limited to SBC LD's affiliate AT&T Corp. Furthermore, none of the affected customers should experience a loss in service as AT&T plans to offer a comparable suite of services to these customers through another AT&T affiliate.

Brief Description of the Dates and Methods of Notice to All Affected Customers (47 C.F.R.

§ 63.71(b)(3)):

SBC LD notified customers of its intention to discontinue these services by letter sent via U.S. Mail on September 24, 2007. A sample of the letter is attached hereto as Attachment A.

Copies of this Application are being sent, first class U.S. Mail, to the public utilities commission and governor of each state in which discontinuance is proposed and also to the Special Assistant for Telecommunications to the Secretary of Defense, as required by 63.71(a) of the Commission's rules.

Regulatory Classification of Carrier (47 C.F.R. § 63.71(b)(4)):

SBC LD is considered non-dominant with respect to the services to be discontinued. Questions about this application may be addressed to Toni Acton, AT&T Services, Inc., Director – Federal Regulatory, 1120 20th Street, NW, Suite 1000, Washington, DC 20036, (202) 457-3039.

Conclusion:

The public convenience and necessity will not be adversely affected by the discontinuance of this service since there are alternative providers of these services and AT&T will offer comparable services through another AT&T affiliate.

SBC LD respectfully requests that the Commission approve its Section 63.71 Application to discontinue the business services discussed above.

Respectfully submitted,

By: /s/ Terri L. Hoskins

Attachment A

September 24, 2007

Dear Valued AT&T Customer,

Thank you for using AT&T for your communication service needs. We value your business and want to be sure you are kept aware of changes being made that affect your service.

Effective November 12, 2007, pending regulatory approval, Dedicated Voice Access will no longer be available to new customers in the 48 contiguous states and Hawaii. Existing customers currently under contract may continue their service and will retain the ability to make moves and administrative changes pursuant to their contract terms and conditions until such time as their contract expires.

Upon contract expiration, the 6 Month Grace Period, which allowed customers to continue with current services for a set period of time after expiration, will no longer be available. Customers will no longer have the ability to make moves, additions or changes to their service. Customers have the option to continue to maintain their existing service arrangement on a monthly basis (terms and conditions subject to change) or they can select another available service.

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of SBC Long Distance, LLC d/b/a AT&T Long Distance. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

If you have questions, would like to find out more about our other available service options or need additional support, please contact your account representative or call the toll free number on your bill.

Thank you for choosing AT&T.

Sincerely,

AT&T Long Distance
1010 N. Saint Mary's St. # 13L
San Antonio, TX 78215
