Re: Docket No. 070001-EI

Dear Ms. Cole:

I am enclosing the Direct Testimony and Exhibits of Robert L. Sansom, witness for the Office of Public Counsel in Docket No. 070001-EI.

The testimony and exhibits contain information which I anticipate Progress Energy Florida, Inc. ("PEF") will regard as confidential. Because PEF has not had an opportunity to review the filing and identify the specific information for which it will seek confidential status, I have arranged with counsel for PEF to file the testimony in its entirety as confidential pending that review. Counsel for PEF informed me earlier today that PEF will file a Notice of its intent to seek confidentiality today.

After PEF informs our office of the specific information for which it will seek confidential status, we will file redacted "public" versions of the testimony and exhibits and a highlighted version of the confidential material.

I have informed Staff Counsel of these arrangements.
