Re: **Notice** from Tele Circuit and Actel to customers and **Replace** Pending Application

Dear Sir or Madam:

Please find enclosed a copy of a customer notice relating to the transfer of Deland Actel, Inc. ("Actel Communications")'s (CLEC - TX435) customer base to Tele Circuit Network Corp. ("Tele Circuit") (CLEC - TX836, IXC - TJ836) which is being sent to Actel Communications customers in their current billing statement. Tele Circuit has or will comply with the requirement to provide subscriber notice in accordance with state and federal regulations, including 47 C.F.R. S a .64.1 120(e)(3), with the obligations specified in that notice, and with other statutory and regulatory requirements that apply to this streamlined process.

Please also replace our previously submitted pending application with the new enclosed application in which we have added regulatory contact information to address any customer complaint or issues.

Please let us know if you have any questions or concerns

Sincerely,

By:

**NOTICE**

Your current local telephone service provider is Deland Actel, Inc. ("Actel Communications"). Effective thirty days from the receipt of this bill insert your phone service will be provided by Tele Circuit Network Corp. ("Tele Circuit"); as Actel Communications has agreed to be acquired by Tele Circuit. Please rest assured that there will be no change in the quality or availability of your service. You will keep your current telephone number and there will not be any type of change to the price you are paying for service. Additionally, there will be no fees that you will incur as part of this change and you can continue to make your monthly telephone payments at your neighborhood payment location.

You may choose to select a different service provider but please note that if you do, you may incur a charge. If wish to have your service provided by another telecommunications utility, you should contact that telecommunication utility or the local telephone company within the next 30 days. If you make no selection your phone service will be transferred to Tele Circuit.

Please note that any local service preferred carrier "freeze" you have placed on your existing telephone lines to prevent unauthorized transfer to another local carrier will be over-ridden for purposes of this transaction, and will need to be reinstated by you after the transfer is complete.

We recognize that you have a lot of different telephone companies to choose from and we appreciate your loyalty during this transition process. Actel has enjoyed serving you and Tele Circuit is committed to the highest ideals of quality and unsurpassed customer service. If you are not satisfied with this transition in any manner, we encourage you to contact us so that we may resolve any outstanding questions you might have at (800)-691-7175. If you have any complaints about past service with Actel, you may also lodge such complaints with Tele Circuit at (877)-835-3247.

Once again, thank you for your patronage and patience during this transition. We know that you will appreciate all the products and high quality of service you will receive from Tele Circuit.

**DESCRIPTION OF TRANSACTION**

On August 30th 2007, Tele Circuit entered into an Agreement with Deland Actel whereby Deland Actel agreed to sell and Tele Circuit agreed to purchase approximately 2,100 of Deland Actel's local exchange and Dial-up Internet Access customer accounts.

Applicants emphasize that the transition of affected local exchange and long distance customer accounts to Tele Circuit will be seamless and transparent to the customers that Tele Circuit will acquire. Immediately following the transfer of assets, Tele Circuit will continue to provide the same telecommunications services to the affected customers,

under the same rates, terms and conditions of service as those customers currently receive from Deland Actel.

Applicants will send written notice to affected customers informing them of the proposed transaction. The customers of Deland Actel will be given the opportunity to switch their service from Deland Actel to a different carrier prior to their transfer to Tele Circuit.

Applicants have also filed a Section 214 Transfer of Assets application with the Federal Communications Commission (“FCC”) and a notice and certification regarding “slamming” compliance, as required by Section 64.1120(e) of the FCC’s rules. Service to the affected customers will not be transferred until the requisite regulatory approvals have been obtained.

The technical, managerial and financial personnel of Deland Actel will assist with the transition and integration of the acquired Assets after the transaction and the technical, managerial and financial personnel of Tele Circuit will continue to serve the transferred Deland Actel customers with the same high level of expertise.

### **PUBLIC INTEREST CONSIDERATIONS**

Critical to the Acquisition is the need to ensure the continuation of high quality service to all customers currently served by Deland Actel. The Acquisition will serve the public interest in that it will ensure that current Deland Actel customers maintain uninterrupted service. The Acquisition will also serve to create a heightened level of operating efficiency which generally will serve to enhance the overall capacity of Tele Circuit to compete in the marketplace and to provide telecommunications services for a greater number of consumers in Florida at competitive rates. If any customer is not satisfied with this transition in any manner, that will be encouraged to contact us so to resolve any outstanding issue. If consumers has any complaint about past service with Actel, they may also lodge such complaints with Tele Circuit.
