 COMMISSION CLERK

On October 2, 2007, BellSouth Telecommunications, Inc. d/b/a AT&T Florida filed its Request for Specified Confidential Classification pursuant to Rule 25-22.006, F.A.C. and Section 364.183, Florida Statutes, for certain information contained in its Amended Motion for Summary Final Order. This document has been identified as FPSC Document No. 09062-07.

AT&T Florida claims the information in Document No. 09063-07 contains confidential business information related to competitive interests of AT&T Florida, and that this information is proprietary to AT&T Florida. AT&T Florida claims that public disclosure of this information would cause it competitive harm by providing competitors with an unfair advantage. The information subject to the request for confidential classification includes (1) Exhibit Nos. LB-2, LB-3, LB-4 and LB-6, attached to the direct testimony of Larry Bishop, and (2) portions of the direct testimony of Elizabeth R.A. Shiroishi. Specifically, this information relates to AT&T Florida's Average Revenue per Unit ("ARPU"), AT&T Florida's estimated costs to serve Avalon Phase II, and AT&T Florida's five times annual exchange revenue calculations for Avalon Phase II.

Upon review of the information contained in the documents, technical staff concurs with AT&T Florida that the information meets the requirements for confidential classification pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006(5), Florida Administrative Code, and the information should be treated as confidential.
