BEFORE ME, the undersigned authority, personally appeared Terry O. Jones who, being first duly sworn deposes and says:

1. My name is Terry O. Jones. I am currently employed by Florida Power & Light Company ("FPL") as Vice President of Nuclear Plant Support. I have personal knowledge of the matters stated in this affidavit.

2. The documents and material in Exhibit A which is asserted by FPL to be proprietary confidential business information is comprised of security related information and contractual data, the disclosure of which would impair the efforts of FPL to contract for goods and services on favorable terms. Similarly, disclosure of the information could impair the competitive business of the counter party.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for the period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

) AFFIDAVIT OF GERARD YUPP
PALM BEACH COUNTY )

BEFORE ME, the undersigned authority, personally appeared Gerard Yupp who, being first duly sworn deposes and says:

1. My name is Gerard Yupp I am currently employed by Florida Power & Light Company ("FPL") as Director of Wholesale Operations in The Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the document and information for which I am listed as an affiant in Exhibit C and which are included in Exhibit A to FPL's Request for Confidential Classification of Certain Information responsive to Staff's Fourth Set of Interrogatories, No.17, 18, and 20. The documents and material in Exhibit A which is asserted by FPL to be proprietary confidential business information is comprised of trade secrets of FPL and other contract-related information, which allow FPL to purchase and sell fuel on favorable terms for FPL and its customers. The disclosure of this trade-secret information would provide other participants in the fuel and electric power markets insight into FPL's marketing and trading practices that would allow them to anticipate FPL's marketing and trading decisions and/or impair FPL's ability to negotiate, to the detriment of FPL and its customers. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for the period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
