Kim,

I just spoke with Ms. Klindworth and was advised that she did not include docket 000121A-TP in her request that we received on 5-10-07 (copy of which was given to you that had several dockets listed) at that time also updated MCD. I notice that the Company Code in TX237 in this docket was not updated per your automatic e-mail that you receive from MCD. Please correct that as their mail is going to the wrong address in this docket. Also, Ms. Klindworth will check with Mr. Diamond to see if he wants to have Ms. Davis's name added to the docket as an interested person and advised in writing as to that request. Advised Ms. Klindworth that if we add Ms. Davis to the docket, that she will receive information either by mail or fax, no e-mail. Main thing is to update Company Code TX237 (last update that you did on this in the docket was 7-17-06.)

Ms. Klindworth, I have forwarded this on to Kim Pena for handling the correction in the above docket.

Thanks,

Hello Ms. Grant,

I noticed that our Atlanta contact person(s) and address are still reflected on the service list for the above named docket. When I sent you our change of contact person/address back in May, I was unaware of this docket.

Can you please change the currently listed contact and address in Docket No. 000121A-TP to:

Kim,
As discussed, please use the d/b/a of "AT&T Florida" as the mailing name for BellSouth Telecommunications, Inc. The d/b/a of "AT&T Florida" and the d/b/a of "AT&T Southeast" were both approved by FPSC Order No. PSC-07-0114-FOF-TP, but for correspondence purposes in Florida, the "AT&T Florida" d/b/a should be used.

If you have any questions, please let me know.

Re: Doris Moss

Dear Mr. Melson:

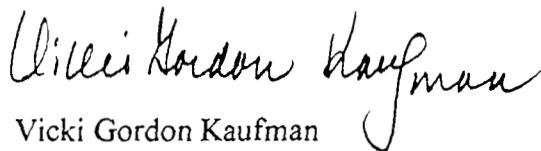

We are in the process of reviewing the Commission's responses to our public records request as well as other public records related to Doris Moss. As we have done so, several items have come to light that we believe warrant further investigation and review by the Commission:

- It appears that Ms. Moss was making strange inquiries with the FCCU "dba Anna Christie" (see attached email) in late 2004 and early 2005 and wanted to open an account for some purpose using a fictitious name – presumably Anna Christie. Ms. Moss inquired about the need to imprint an address on the checks related to that account. At that same time, Ms. Moss registered the fictitious name "Anna Christie" with the Florida Department of State (see attached registrations) using a P.O. Box as her address. We believe the Inspector General should investigate what funds went into that account and from whom they came.
- It appears that all the fictitious named businesses with which Ms. Moss was involved (Anna Christie and D.L. Property Management) were not reported on her financial disclosure forms filed with the Commission on Ethics. We believe the Inspector General should investigate why all appropriate financial disclosures were not made.
- It appears Ms. Moss remained on unpaid leave from BellSouth while she was on the staff of the Commission. We believe the Inspector General should investigate why a BellSouth employee was simultaneously on Commission staff.

- In December 2005, there is email correspondence among Meredith Mays, Mike Harper, and BellSouth "Security" attempting, it appears, to determine the identity of "Anna Christie." (This information was included in the package of materials distributed to the parties for the first time on February 13, 2006). We would ask that you subpoena from BellSouth all documents evidencing BellSouth's attempt to determine the identity of "Anna Christie." Covad, and presumably the Inspector General, were able to trace the pseudonyms used by Ms. Moss in her improper emails in a matter of days. Why BellSouth could not do the same in a matter of months requires explanation.
- Finally, the list of questions sent to the Commissioners and Staff from Anita Megna was contained in a document that would have had to be opened in order to view it. We request that you (or your designee) open the document, click "File", click "Properties" and provide us with the creation date and all other information that is revealed. We would also request all Ms. Moss' emails on this "creation" date.¹ Obviously, the origin of that document must be determined.

While Covad continues its investigation, it is of the view that further investigation into Ms. Moss' activities while a Commission employee is necessary to determine the full extent of any motivations, bias or influence she may have exerted while at the Commission. As always, thank you for your cooperation.

Sincerely,

Vicki Gordon Kaufman

¹ If necessary, please consider this a public records request.

Ms. Moss,

Thank you for the inquiry. To open a business account, please provide a copy of the fictitious name registration or a copy of the business license. The monthly service fee is \$10, if an average daily balance of \$1200 is not met.

If you have any further questions, please let us know.

What is required to open up a small business checking account with a fictitious name? Is an acknowledge letter from the state sufficient? Is a certificate of status required? A certified copy? Does a check require an imprint of an address? How much is the minimum requirement to open an account? What would be the maintenance fees? What is required for an account without monthly maintenance fees?

BellSouth's Second Request for Admission to FPL Fibernet

BellSouth Telecommunications, Inc. ("BellSouth") hereby serves its second request for admission on FPL Fibernet (hereinafter "FPL Fibernet"). These requests are to be answered under oath and within the timeframe required pursuant to governing rules and applicable orders in this docket.

Definitions and Instructions

The following definitions and instructions shall apply to these data requests:

1. If you deny any request for admission set forth herein or any sub-part thereof, set forth with specificity the basis for your denial or partial denial.
2. The terms "FPL Fibernet" and "you," "your," "yours," and "your company" shall all mean the entity served with these data requests and all affiliates and subsidiaries, including, but not limited to carriers that you have merged with or acquired that still do business under a different name.
3. The term "fiber-based collocation" shall have the meaning set forth in paragraph 102 of the FCC's *Triennial Review Remand Order*. As set forth there, the term refers to a collocation arrangement, with active power supply, that has a non-ILEC fiber-optic cable that both terminates at the collocation facility and leaves the wire center. The collocation arrangement may be obtained either pursuant to contract, tariff or, where appropriate, section 251

of the 1996 Act. The term shall included fixed-wireless collocation arrangements at a wire center if the carrier's alternative transmission facilities both terminate in and leave the wire center.

Requests for Admission

1. Admit that you have fiber-based collocation arrangements at the following BellSouth wire centers:

BellSouth's First Requests for Admission to Cox Florida Telecom, L.P.

BellSouth Telecommunications, Inc. ("BellSouth") hereby serves its first requests for admission on Cox Florida Telecom, L.P. (hereinafter "Cox"). These requests are to be answered under oath and within the timeframe required pursuant to governing rules and applicable orders in this docket.

Definitions and Instructions

The following definitions and instructions shall apply to these data requests:

1. If you deny any request for admission set forth herein or any sub-part thereof, set forth with specificity the basis for your denial or partial denial.
2. The terms "Cox" and "you," "your," "yours," and "your company" shall all mean the entity served with these data requests and all affiliates and subsidiaries, including, but not limited to carriers that you have merged with or acquired that still do business under a different name.
3. The term "fiber-based collocation" shall have the meaning set forth in paragraph 102 of the FCC's *Triennial Review Remand Order*. As set forth there, the term refers to a collocation arrangement, with active power supply, that has a non-ILEC fiber-optic cable that both terminates at the collocation facility and leaves the wire center. The collocation

arrangement may be obtained either pursuant to contract, tariff or, where appropriate, section 251 of the 1996 Act. The term shall included fixed-wireless collocation arrangements at a wire center if the carrier's alternative transmission facilities both terminate in and leave the wire center.

Requests for Admission

1. Admit that you have fiber-based collocation arrangements at the following BellSouth wire centers:

Subject: Regulatory Contact Numbers for BellSouth

Dear Mrs. Bayó:

The BellSouth Telecommunications, Inc. Tallahassee Regulatory Office has recently changed telephone numbers. Please use this letter to change the official contact information for BellSouth that the Commission and the Commission Staff would use for BellSouth related matters. There is no change in the address or in the fax number that is used for Commission correspondence to BellSouth.

The main telephone number for the BellSouthTallahassee Regulatory Office (Nancy H. Sims) has been changed from (850)222-1201 to (850)577-5555. Both numbers will be active for several months.

Other numbers for the BellSouth Regulatory staff are as follows:

Jerry Hendrix	(850)577-5550
Stan Greer	(850)577-5552
MaryRose Sirianni	(850)577-5553
Robyn Holland	(850)577-5551
Wayne Tubaugh	(850)577-5525

If you need any additional information, please let me know.

Yours truly,

Nancy H. Sims
