) AFFIDAVIT OF TERRY O. JONES
PALM BEACH COUNTY)

BEFORE ME, the undersigned authority, personally appeared Terry O. Jones who, being first duly sworn deposes and says:

1. My name is Terry O. Jones. I am currently employed by Florida Power & Light Company ("FPL") as Vice President of Nuclear Plant Support. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the document and information for which I am listed as an affiant in Exhibit C and which are included in Exhibit A to FPL's Request for Confidential Classification of Certain Information responsive to Staff's Second Request for Production of Documents Nos. 7, 9, and 13. The documents and material in Exhibit A which is asserted by FPL to be proprietary confidential business information is comprised of security related information and contractual data, the disclosure of which would impair the efforts of FPL to contract for goods and services on favorable terms. Similarly, disclosure of the information could impair the competitive business of the counter party.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for the period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
