Issue 2: Should this docket be closed?

Recommendation: Staff recommends that the Order issued from this recommendation will become final and effective upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest that identifies with specificity the issues in dispute, in the form provided by Rule 28-106.201, Florida Administrative Code, within 21 days of the issuance of the Proposed Agency Action Order. As provided by Section 120.80(13)(b), Florida Statutes, any issues not in dispute should be deemed stipulated. If the company fails to timely file a protest and to request a Section 120.57, Florida Statutes, hearing, the facts should be deemed admitted and the right to a hearing waived. If the company pays the Regulatory Assessment Fee prior to the expiration of the Proposed Agency Action Order, then the cancellation of the company's competitive local exchange telecommunications certificate will be voluntary. If the company fails to pay the Regulatory Assessment Fee prior to the expiration of the Proposed Agency Action Order, then the company's competitive local exchange telecommunications certificate should be cancelled administratively, and the collection of the past due Regulatory Assessment Fee should be referred to the Florida Department of Financial Services for further collection efforts. If the company's competitive local exchange telecommunications certificate is cancelled in accordance with the Commission's Order from this recommendation, the company should be required to immediately cease and desist providing competitive local exchange telecommunications service in Florida. This docket should be closed administratively either upon receipt of the payment of the Regulatory Assessment Fee or upon cancellation of the company's competitive local exchange telecommunications certificate. (McKay)

Staff Analysis: Staff recommends that the Commission take action as set forth in the foregoing staff recommendation statement.

NOTICE OF PROPOSED AGENCY ACTION ORDER
CANCELLING COMPETITIVE LOCAL EXCHANGE TELECOMMUNICATIONS
COMPANY CERTIFICATE ON THE COMMISSION'S OWN MOTION

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Re-Connection Connection currently holds Certificate No. 7644, issued by this Commission on December 8, 2000, authorizing the provision of competitive local exchange telecommunications service (CLEC). Pursuant to Section 364.336, Florida Statutes, competitive local exchange telecommunications companies must pay a minimum annual Regulatory Assessment Fee if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. In addition, Rule 25-24.820, Florida Administrative Code, provides that a competitive local exchange telecommunications company requesting cancellation of its certificate must state its intent and date to pay the current Regulatory Assessment Fee (RAF).

On August 24, 2007, our staff received a telephone call from Mr. Joe Monde, representative of the company, asking what the company needed to do to cancel its certificate. On the same date, our staff e-mailed the company the 2007 Regulatory Assessment Fee return

form and a note advising the request for cancellation must be in writing and that the company must either pay the 2007 RAF or provide a date certain the fee must be paid. On August 30, 2007, this Commission received a letter from the company dated August 27, 2007, requesting cancellation of Re-Connection Connection's CLEC certificate because the company was closing its business. The company did not include the 2007 RAF return, payment, or provide a date certain the 2007 fee would be paid.

For the reasons described above, we deny Re-Connection Connection's request for voluntary cancellation of its CLEC certificate. However, we find it appropriate to involuntarily cancel the competitive local exchange telecommunications certificate, effective August 30, 2007, on this Commission's own motion for failure to comply with Rule 25-24.820, Florida Administrative Code, and pursuant to Section 364.336, Florida Statutes.

Since it appears Re-Connection Connection does not provide service in Florida and has requested cancellation of its certificate, there would be no purpose in requiring the company to pay a penalty. The cancellation of the CLEC certificate, in no way diminishes the entity's obligation to pay the applicable RAF. If this Order is not protested, the company's CLEC Certificate No. 7644 shall be cancelled, effective August 30, 2007. If the company pays the RAF prior to the expiration of the Proposed Agency Action Order, then the cancellation of the company's competitive local exchange telecommunications certificate will be voluntary. If the company fails to protest the Order or pay the RAF prior to the expiration of the Proposed Agency Action Order, then the company's competitive local exchange telecommunications certificate should be cancelled administratively, and the collection of the past due RAF should be referred to the Florida Department of Financial Services for further collection efforts. If the company's competitive local exchange telecommunications certificate is cancelled in accordance with the Commission's Order from this recommendation, the company should be required to immediately cease and desist providing competitive local exchange telecommunications service in Florida. This docket should be closed administratively either upon receipt of the payment of the RAF or upon cancellation of the company's competitive local exchange telecommunications certificate. If Re-Connection Connection's CLEC certificate is cancelled on this Commission's own motion and it subsequently decides to reapply for a certificate as a competitive local exchange telecommunications company, Re-Connection Connection shall be required to first pay any outstanding fees, including accrued statutory late payment charges. We are vested with jurisdiction over these matters pursuant to Sections 350.113, 364.336, 364.337, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED that pursuant to Rule 25-24.820, Florida Administrative Code, Re-Connection Connection's CLEC Certificate No. 7644 is hereby cancelled effective August 30, 2007, on this Commission's own motion for failure to pay the 2007 Regulatory Assessment Fee, pursuant to Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. It is further

ORDERED that the cancellation of the certificate in no way diminishes Re-Connection Connection's obligation to pay the applicable Regulatory Assessment Fee. If the company's

CLEC certificate is cancelled and the company subsequently decides to reapply for a certificate as a competitive local exchange telecommunications company, that company shall be required to first pay any outstanding fees, including accrued statutory late payment charges. It is further

ORDERED that if Re-Connection Connection pays the Regulatory Assessment Fee prior to the expiration of the Proposed Agency Action Order, the cancellation of the certificate shall be deemed voluntary. It is further

ORDERED that if Re-Connection Connection does not pay the Regulatory Assessment Fee prior to the expiration of the Proposed Agency Action Order, the collection of the Regulatory Assessment Fee shall be referred to the Florida Department of Financial Services for further collection efforts. It is further

ORDERED that if Re-Connection Connection's certificate is cancelled in accordance with this Order, Re-Connection Connection shall immediately cease and desist providing competitive local exchange telecommunications service in Florida. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, this docket shall be closed upon receipt of the Regulatory Assessment Fee, or upon cancellation of the CLEC certificate.
