Kay, hopefully, this e-mail is unnecessary, but I thought I'd send it on just to make sure. To refresh your memory, I had requested that six companies be removed from Docket No. 060466-TI. One of those companies called me about the Order. I called Hong (you were out) asking why they would have received it. She checked and they did not receive the order via fax from Records, so we can only guess that they got the order from our website or something.

While I had Hong on the phone, I asked her to check the others. She advised that none of the six received the Order. She did say that while TJ500 did NOT receive the Order, it appeared they are still associated with this docket. I would just like to again request that they (TJ500) be removed from this docket. Thanks so much!

Hong, thanks as always for your help and patience!

Subject: RE: Request for cancellation of certificate in compliance docket

CORRESPONDENCE
ORIGINAL

Please document in the docket file. Unless the company paid (and I have not been notified of any payment) or requested a hearing, the company will cancel as outlined in the PAA order. A separate docket should not be established.

Just as info, on August 8th, I talked with Bobbi Ferguson, a consultant, and she said the company had requested cancellation in September 2005. I advised her that unless the company paid the 2005 fee, along with late payment charges, and provided us a copy of the 2005 letter requesting cancellation, that the company's certificate would be cancelled in Docket 060466. She indicated that the company would not pay anything because it did not exist any longer.

Hi Paula,

We have received a letter requesting cancellation of certificate for Embratel Americas, Inc. (TJ894). They are currently part of compliance Docket No. 060466. How would you like me to handle this? I don't have any notification of payment of any RAFs or P/I.
