COMMISSION
CLERK

Dear Sirs:

Enclosed is our application for a Staff-Assisted Rate Increase. We are applying for rate assistance for the wastewater operation which is running a deficit of over \$42,000 each of the last two years. The increased expenses are due to ongoing repairs for the lift system; ongoing collection system repairs against infiltration; percolation pond, underground dispersal and clear well equipment maintenance; and increases for insurance, electricity, fuel, sludge hauling and testing.

In addition, we are applying for an emergency rate increase to cover the increase in sludge hauling. Pasco County has raised their sludge disposal rates to \$99.40 per thousand gallons. Our sludge hauler had been charging us only \$29.00 per thousand gallons. The attached worksheet details the increase of \$17,550 annually.

Please contact us for any additional information you need.

Sincerely,

Alfred G. Heiler
