Re: Electric Infrastructure Storm Hardening Plan of Florida Power & Light, Docket No. 070297-EI

Dear Mr. Bugyis:

Thank you for your letter of October 1, 2007, regarding the electric infrastructure storm hardening plan filed by Florida Power & Light Company (FPL). The Commission shares your interest in identifying and protecting critical infrastructure facilities from power outages. Your letter has been placed in the correspondence side of the docket file to make it available for interested parties to review.

The Commission staff has held a series of informal workshops with FPL and other Florida electric utilities and intervenors to review storm hardening plans, identify disputed issues, and potential areas for stipulation. The full Commission will hear testimony and consider evidence related to the storm hardening plans in a formal hearing scheduled to take place October 2-4, 2007. Following the hearing, staff will make a recommendation to the Commission on each utility's storm hardening plan. The Commission is expected to issue its decision in the form of an Order in late December 2007.

Your interest in this docket is appreciated. Further information about this docket can be obtained from the Commission's website at <http://www.psc.state.fl.us/>.
