RE: Docket No. 070559-TP - Petition for approval of adoption, with modifications, of existing interconnection, unbundling, resale, and collocation agreement between Verizon Florida LLC and Telovations Inc. by Knology of Florida, Inc.

By letter received August 10, 2007, Verizon Florida LLC filed a request for approval of adoption, with modifications, of the existing interconnection, unbundling, resale, and collocation agreement between Telovations Inc. and Verizon Florida LLC which was deemed approved by the Commission in Docket No. 060773-TP. Knology of Florida, Inc is adopting the existing interconnection, unbundling, resale, and collocation agreement deemed approved by the Commission pursuant to Section 252(i) of the Telecommunications Act of 1996.

Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(i) requires that a local exchange carrier shall make available any interconnection, service, or network element provided under an agreement approved by the state commission to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement in its entirety.

Staff reviewed the agreement in this Docket on October 9, 2007. The filing met the criteria outlined in Section 2.07.C.5.d of the Administrative Procedures Manual in that it complies with both Sections 252(e)(4) and 252(i) of the Act. Accordingly, with this Memorandum, the docket is hereby closed.
