Mr. Gallager

Pasco County Administrator

Re: Staff Assisted Rate Case, Docket Number 070601-WU

Dear Mr. Gallager,

The Public Service Commission has notified Orangeland Water Supply of the need to alert the County of an application for a Staff Assisted Rate Review for our utility system.

Fred Snell purchased the water system in 1972. Through the years, there has been no increase in the rate to the customers. Operating costs have increased multifold during the last 35 plus years. This increase is more than justified.

If you have any questions, please contact Fred Snell at (727) 372-8330 or (727) 841-7672.

Thank you for your assistance.

Sincerely,

Scott Findlay, Operator
