Re: Joint petition to amend negotiated contract for firm capacity and energy from qualifying facility between Florida Power Corporation d/b/a Progress Energy Florida, Inc. and Florida Biomass Energy Group, L.L.C.; Docket No. 070645-EQ

Dear Ms. Cole:

On October 29, 2007, Progress Energy filed an amended contract in the above referenced docket. The original contract was filed in Docket 060387-EQ. To minimize confusion and to conform the style of this docket to the amended contract, PEF respectfully requests that you change the docket title to read "Joint petition to amend negotiated contract for firm capacity and energy from qualifying facility between Florida Power Corporation d/b/a Progress Energy Florida, Inc. and Innovative Energy Group of Florida".

Thank you for your assistance in this matter. Should you have any questions, please feel free to call me at (727) 820-5184.

Sincerely,

John T. Burnett
