Re: Docket No. 060540-WU – Application for increase in water rates in Pasco County by Colonial Manor Utility Company.

Dear Mr. Gabay:

This letter is a follow-up to the October 8, 2007, informal meeting with the Colonial Manor Utility Company (Colonial or utility), the Office of Public Counsel (OPC), and staff. At this meeting, the utility stated it would provide the bank commitment letter and bids in approximately 30 days. Pursuant to your e-mail dated November 14, 2007, you stated that the data requests for hours worked and detail, the explanation and/or revision of the capital structure schedules, and the bank letter for financing commitment would be provided by the week November 20, 2007. However, the utility did not provide the bank commitment letter. Further, you stated that the bid information would be provided by December 20, 2007, when the cut-off date for bids expires.

In order to allow staff sufficient time to calculate a revenue requirement and draft its recommendation for internal review, the bank commitment letter and the bid information needs to be provided no later than noon on Thursday, December 27, 2007.

If you have any questions, please contact me by phone at (850) 413-7017 or by e-mail at bart.fletcher@psc.state.fl.us.

Sincerely,

Handwritten signature of Bart Fletcher in cursive.
