(b) Composite Exhibit B is a package containing two copies of redacted versions of the documents for which the Company requests confidential classification. The specific information for which confidential treatment is requested has been blocked out by opaque marker or other means.

(c) Exhibit C is a table which identifies by page and line the information for which PEF seeks confidential classification and the specific statutory bases for seeking confidential treatment.

3. As indicated in Exhibit C, the information for which PEF requests confidential classification is “proprietary confidential business information” within the meaning of Section 366.093(3), F.S. Specifically, the information at issue relates to PEF’s internal data security processes and security procedures outlined in the FPSC Review, Data Request responses and Staff’s audit workpapers. The documentation outlines elements of PEF’s data security procedures, which if disclosed, could impair the efforts of the Company to maintain secure customer and business information. If the information at issue was made public, it could be used to attempt to breach PEF’s data security policies and procedures. *See* § 366.093(3)(c), F.S.; Affidavit of Elaine McCallister at ¶ 5. Furthermore, the information at issue relates to sensitive customer information, the disclosure of which could impair data security interests for both PEF and its customers. *Id.* § 366.093(3)(e); Affidavit of Elaine McCallister at ¶ 6. Accordingly, such information constitutes “proprietary confidential business information” which is exempt from disclosure under the Public Records Act pursuant to Section 366.093(1), F.S.

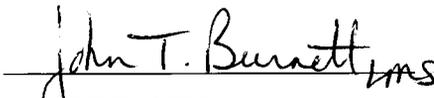

4. The information identified as Exhibit “A” is intended to be and is treated as

confidential by the Company. See Affidavit of Elaine McCallister at ¶ 7. The information has not been disclosed to the public, and the Company has treated and continues to treat its internal processes, security procedures and the information at issue as confidential. See Affidavit of Elaine McCallister at ¶ 7.

5. PEF requests that the information identified in Exhibit A be classified as “proprietary confidential business information” within the meaning of section 366.093(3), F.S., that the information remain confidential for a period of at least 18 months as provided in section 366.093(4) F.S., and that the information be returned as soon as it is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the foregoing reasons, PEF respectfully requests that this Request for Confidential Classification be granted.

RESPECTFULLY SUBMITTED this 13th day of December, 2007.
