AFFIDAVIT OF EUGENE UNGAR

BEFORE ME, the undersigned authority, personally appeared Eugene Ungar who, being first duly sworn, deposes and says:

1. My name is Eugene Ungar. I am currently employed by Florida Power & Light Company (FPL) as Manager of Fuels Analysis & Strategy in the Energy Marketing & Trading Divison. My business address is 700 Universe Boulevard, Juno Beach, FL 33408. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the documents that are included in Exhibit A to FPL's Request for Confidential Classification. Documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute contractual vendor data, such as pricing and other terms, the disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms in the future to the detriment of FPL and its customers. Further, certain information claimed confidential contains or constitutes competitively sensitive data, the disclosure of which could impair the competitive business of the provider of the information. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. This proprietary confidential business information will continue to be competitively sensitive beyond an 18 month time frame, for at least 36 months. Therefore, this information should remain confidential for a period of not less than 36 months. In addition, the documents should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
