Re: Evercom Systems Confidential Response to Staff Data Request
Docket No. 060614-TO

Dear Ms. Cole:

Enclosed please find Evercom Systems' CONFIDENTIAL responses to Staff's informal data request of December 5, 2007. The data is in the same format as the data provided on November 6, 2007. The response consists of one CD ROM which contains a ZIP file due to the volume of the data, over 20 million records.

T-Netix/Evercom do not have call detail records prior to January 2001. In late 2000, T-Netix began installing and testing equipment at the Miami-Dade facility, but was not a subcontractor providing service prior to January 2001.

If you have any questions or need any additional information, please let me know. Again, please treat and handle this information as CONFIDENTIAL.
