Re: Docket No.: 060261-WS; Application for increase in water and wastewater rates in  
Lake County by Utilities, Inc. of Pennbrooke.  
Our File No.: 30057.121

Dear Ms. Cole:

Commission Order No. PSC-07-0088-PAA-WS requires that Utilities, Inc. of Pennbrooke verify that the Commission Ordered Adjustments ("COAs") had been made on its books and records. Enclosed is a copy of the bookkeeping entries reflecting the COAs. Utilities, Inc. is undergoing the implementation of a new accounting system, which is delaying the Utility actually booking the COAs. The Utility expects the new accounting system to be functional by the end of January, 2008, at which time the COAs will actually be booked to the Utility's books and records. We will file that confirmation when the adjustments have been made.

Should you have any questions, please do not hesitate to give me a call.

Very truly yours,

MARTIN S. FRIEDMAN
