Dear Ms. Clarke:

The Commission received the 2007 Regulatory Assessment Fee return form with the note "We are no longer in the pay phone business. Closed 04/30/2007."

There are two types of cancellation. One is voluntary, which is when a certificate is cancelled at a certificate holder's request and has paid all Regulatory Assessment Fees. The other is involuntary and is when a certificate is cancelled on the Commission's own motion for a rule, statute, or order violation. Just as information, the Regulatory Assessment Fee is applicable if a certificate is active for any day during a calendar year.

I will open a docket to cancel your certificate with an effective date of December 20, 2007. Unfortunately, the minimum fee for 2007 must still be paid. In addition, the minimum fee increased for 2007 to \$100.

If you cannot pay the \$100 minimum, your certificate will still be cancelled, it will just be cancelled on the Commission's own motion and the unpaid fee will be turned over to collections.

Please let me know by January 14, 2008, how you wish to proceed.
